when you step up

by donating to the Capitol Hill Community Foundation, **you directly support your community in ways that are meaningful, measurable, and durable.** Neighborhood institutions turn to the Foundation for support to meet community needs.

Whether channeling the outpouring of support for the **Eastern High School Marching Band**, providing grants during the pandemic to keep our community organizations working, helping residents displaced by the 2018 fire at the **Arthur Capper Senior Apartments**, assisting **Frager's Hardware** employees after the 2013 fire, or helping merchants recover from the devastating fire at **Eastern Market** in 2007 ...

The Foundation always stands ready to marshal community resources when they are most needed—**because of your support.**
